Domestic and International Section 214 Applications for Consent to
the Transfer of Control of Central Utah Communications Leasing, LC
and Strategic Alliance Management, Inc. to Zone Telecom, Inc. and Pro
Forma Notification Regarding the Inclusion of Cyberman Limited in
Zone Telecom, Inc. ownership structure

Dear Ms. Dortch:

The Department of Homeland Security ("DHS") with the concurrence of the Department of Justice ("DOJ"), including the Federal Bureau of Investigation ("FBI"), requests that the Federal Communications Commission ("Commission") defer action on the applications of Zone Telecom, Inc. to transfer control of Central Utah Communications Leasing, LC and Strategic Alliance Management, Inc.'s domestic and international authorizations under section 214 of the Communications Act of 1934 to Zone Telecom, Inc. DHS, with the concurrence of DOJ and the FBI also requests that the FCC defer acceptance of the pro forma notification regarding the inclusion of Cyberman Limited, a British Virgin Islands company, in its ownership structure. We ask that the FCC defer these actions until such time as DOJ, FBI, and DHS (i) notify the Commission that potential national security, law enforcement, and public safety issues raised by the application have or have not been resolved, and (ii) on that basis, request appropriate action by the Commission. Necessarily, DOJ, FBI, and DHS also request that the Commission remove the application from streamlined processing.

After receiving notice of the applications, DOJ, FBI, and DHS have been reviewing these matters to determine if they may raise national security, law enforcement, and public safety concerns. DOJ, FBI, and DHS will advise the Commission promptly upon completion of our review.

Thank you for your consideration.

Sincerely,

/s/ STEWART A. BAKER
